Experience

Frontend Developer Intern

EasyMyLearning   Nov 2024 - Present

- Focused on enhancing user experience by designing and implementing responsive frontend components
- Collaborated with the design team to translate UI/UX mockups into functional, accessible web interfaces
- Optimized frontend performance and ensured cross-browser compatibility

Projects

Real-time Collaborative Drawing App

GitHub   —   Live

- Built a dynamic whiteboard application featuring real-time collaboration through WebSockets allowing multiple users to draw and interact simultaneously
- Designed a modern UI with Tailwind CSS for a seamless user experience
- *Tech:* Next.js, TypeScript, WebSocket, Tailwind CSS

Cross-Platform Bookmark Manager

GitHub   —   Live

- Developed a unified bookmark management platform with smart categorization, instant search, and cloud-based image storage supporting Twitter posts, blogs, and YouTube videos
- Engineered for efficiency and scalability with a responsive React frontend and Node.js backend
- *Tech:* React, TypeScript, Node.js, MongoDB, Cloudinary, Zod

Medium-style Blogging Platform

GitHub   —   Live

- Created a feature-rich blogging platform with a powerful rich-text editor, secure user authentication, and seamless serverless database integration
- Delivered a clean, professional writing experience inspired by Medium's design and interaction flow
- *Tech:* Next.js, TypeScript, Prisma, Neon DB, Cloudinary

Technical Skills

Languages: JavaScript, TypeScript
Frameworks & Libraries: React.js, Express.js, Node.js, Next.js, Tailwind CSS
Databases: MongoDB, PostgreSQL
Developer Tools: Git, VS Code, Postman, GitHub, Docker, Jira, Google Cloud Platform

Education

Shri Ramswaroop Memorial University

Lucknow, Uttar Pradesh, India

- Bachelor of Computer Application   2023 – 2026
